Introduction

Education plays a very important role in the development of nation. Higher education is developing very fast in basic as well as professional areas. Higher education is a matter of concern even today. So as to educate students from Socio-Economically deprived classes of Konkan region, our institute envisages the academic programmes by considering need of the society.

Kunbi Shikshan Prasark Sanstha Khed-Mumbai's Tukaram Baburao Kadam College of Arts, Science & commerce, Bharne established in 2004, is one primer college in Ratnagiri District. Our college has been working with a vision providing quality higher education to rural students, empowering them to cope up with the competitive world.

It is one of the leading educational institution and self-financed college affiliated to University of Mumbai. In the past years our college has not only grown in strength & size but also in levels of excellence. While preparing the perspective plan thought is given to enhancement of academic programmes, Infrastructure, ICT infrastructure etc.
