**TUKARAM BABURAO KADAM COLLEGE OF ARTS,
SCIENCE AND COMMERCE, BHARNE,
Tal-Khed, Dist-Ratnagiri-415621**

Department of Computer Science

Certificate Courses in Computer Science

Introduction: - The course is designed to aim at imparting a basic level appreciation programme for the common man. After completing the course, the incumbent is able to use the computer for basic purposes of preparing his personnel/business letters, viewing information on Internet (the web), sending mails, using internet banking services etc. This allows a common man or housewife to be also a part of computer users list by making them digitally literate. This helps the small business communities, housewives to maintain their small account using the computers and enjoy in the world of Information Technology. The module on financial literacy will enable the individuals to understand the various financial services and be aware of the various schemes of Government of India.

Objective

1. To familiarize with basics of information technology.
2. To develop basic skills of using tools for word processing, presentation.
3. To develop an understanding of how computers store and process data.
4. To develop mastery over basic operational skills over functions of the operating system and computer systems.
5. To develop an understanding of the fundamental concepts
6. To acquire knowledge and understanding of the terms, symbols, concepts, principle, activities and operations.
7. To create an awareness of ethical issues related to computing.
