Yoga Training for Students

Academic Year-2015-16

Yoga training can supplement school and university education. It can prepare the students physically and mentally for the integration of their physical, mental and spiritual faculties so that the students can become healthier, saner and more integrated members of the society and of the nation. Yoga training helps on self-discipline and self-control, leading to immense amount of awareness, concentration and higher level of consciousness.

Yoga training could help to equip oneself with basic knowledge about one's personality, to learn to handle oneself well in all life situations, to learn techniques of gaining good health, to develop a discriminative mind capable of knowing the real from the unreal and face the dualities of life with equanimity.

Yoga training can enhance all the activities of the students, be it academic or sports or social. Yoga techniques provide improved attention in studies, better stamina and co-ordination for sports and a heightened awareness and balanced attitude for social activity.

Yoga education can be integrated in school education during the time set aside for P.T. but in a calm and quiet place creating the proper atmosphere for its proper study and practice.

Objectives:

- 1) To enable the student to have good health.
- 2) To practice mental hygiene.
- 3) To possess emotional stability
- 4) To integrate moral values.
- 5) To attain higher level of consciousness.

Yoga Training Schedule:

Duration: 21/06/2015 to 26/06/2015

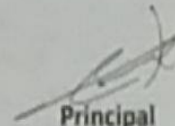

Time: 9.30 am

Place: College Terrace

Trainer: Mr. Rutik Sabale

Health fitness Activity for Students

Academic Year-2015-16

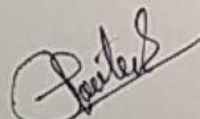

Health is wealth, rightly said Fitness is the cornerstone of good health. The best way of living a good life is by maintaining good health and fitness. Good health and fitness imply both mental and physical well-being. We should always remember that a healthy mind can only be gained by being healthy.

Students get a lot of benefits from physical education. It can help students to become more aware of the importance of a healthy lifestyle. Students can also retain a higher level of knowledge as a result of the overall health. This knowledge can help them to make wise decisions concerning their safety, health, and wellbeing. Physical fitness can be a key component of a healthy lifestyle. When regular fitness activities are included in the lifestyle of a student, it is possible for them to maintain fit. Regular physical activity can help to improve the absorption of nutrients in the body.

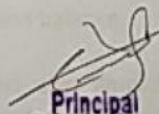

It also helps to improve cardiovascular health and develop muscular strength. students continue to focus on skill development with activities in partnerships and in games with small groups that allow everyone to participate. It is important to the department to allow every student to develop at his or her own pace, and to encourage each individual to achieve his or her potential.

Objectives:

- 1) Get onto a healthy nutrition plan.
- 2) Improve your flexibility and balance.
- 3) Physical education class also emphasizes proper diet, body weight, and health issues.
- 4) Improve our immune system.
- 5) Fostering motivational attitude to the physical education, healthy lifestyle and regular exercising;
